Dear Mr. Rankin,

Our team has decided that the best general plan and zoning for this project will be SC/C-1. We will request this at the dais on the night of the January 22, 2009 Planning Commission meeting since our current application requests GC/C-2. It is also our understanding that we do NOT need an SUP for the car wash since the car wash is an accessory to a service station.

Please feel free to call if you have any questions.

Sincerely,

Carolyn Ahern
